

SUPERGEN Bioenergy
"Advancing UK Bioenergy"

"Agricultural Wastes, Co-Products and Residues as Fuel for Combustion"
Bioenergy Research Forum (BRF) January 25th 2007
Novotel Birmingham Centre Hotel, 09:30-16:30

The **Bioenergy Research Forum (BRF)** meetings run by the SUPERGEN Bioenergy Consortium aim to engage a wider community in Biomass and Bioenergy activities, and tackle a range of bioenergy issues, providing a forum for the discussion of these issues, and providing a valuable link between industry and research.

Following the success of the previous BRF meeting at Drax Power Station, the next BRF is to take place on Thursday 25th January 2007, at the Novotel Birmingham Centre hotel.

This event will focus on the combustion of biomass and will include a range of presentations from relevant industry and SUPERGEN researchers.

This will be an all day event, which will include lunch for attendees, and will start with registration and tea/coffee with hot breakfast sandwiches and at 09:30am.

In order to encourage participation, we are pleased to offer one place per organisation free of charge, but will need to charge additional members a registration fee of £50.

Accommodation Information

For those that will need accommodation the night before the BRF, the hotel is offering attendees a discounted rate of £120 for Bed & Breakfast (inc. VAT). Attendees must book their own accommodation with the hotel – please state that you are attending the SUPERGEN Bioenergy event on the 25th January when booking. Alternatively there is a Travelodge Hotel a few hundred metres away from the Novotel Hotel (Travelodge Birmingham Central Hotel, 230 Broad Street, Birmingham B15 1AY. Tel: 08701911564).

Further information, including a draft programme, will be available soon.

The BRF pages of the SUPERGEN web site (www.supergen-bioenergy.net) will be updated when new information becomes available. If you would like to attend the meeting, make a presentation, or require any other information please contact Rob Fenton (r.b.fenton@aston.ac.uk – 01212043398).

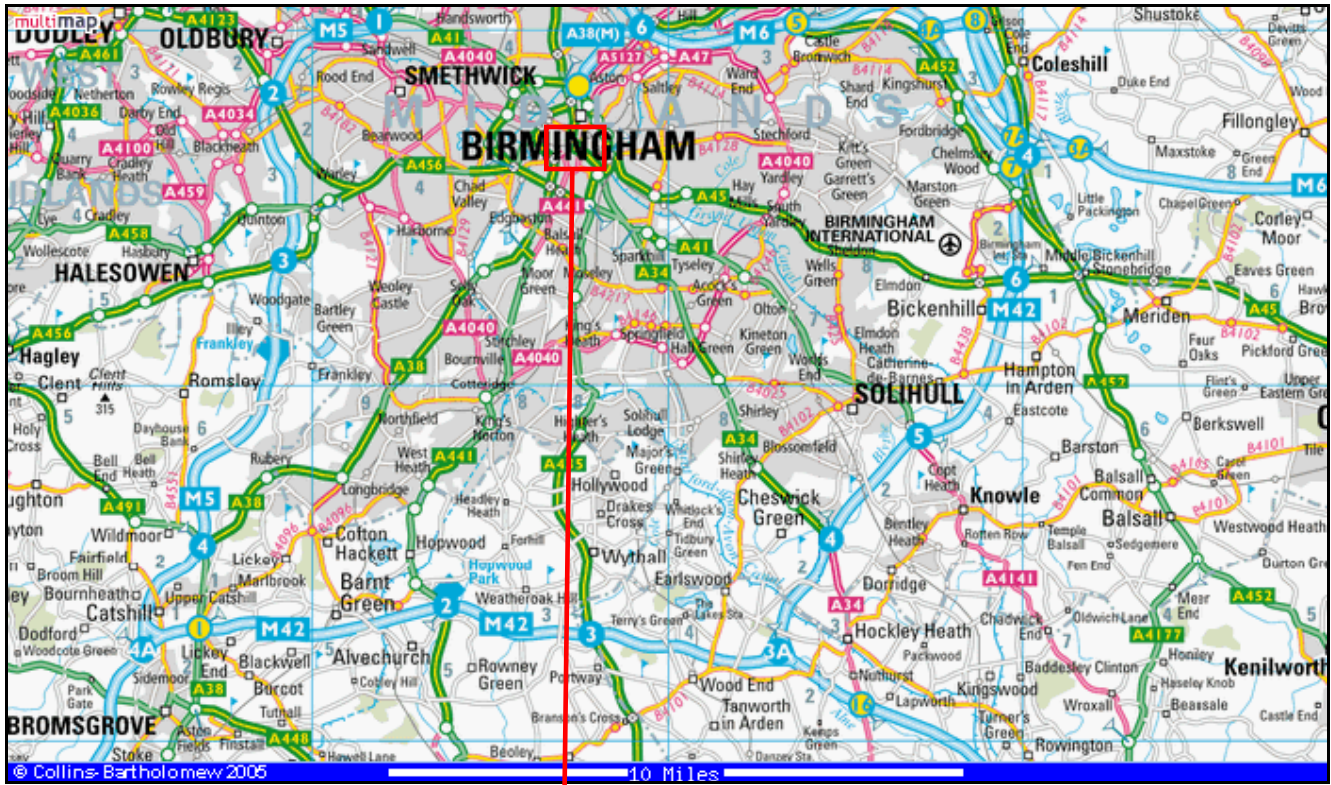

Hotel Location and Travel Information
